

## Household Chemical Collection

- When possible, keep products in original container with labels intact.
- Wrap leaking containers in newspaper and place in a plastic bag. Ensure all lids and caps are tight.
- Place items securely in boxes for transport. Use newspaper or cardboard as fillers.
- Do not leave material in hot unventilated area for long periods. Do not smoke near chemicals.
- Clean Harbors, the largest hazardous waste disposal company in North America, has been providing disposal services at VPPSA events since they began in 1997. Clean Harbors provides a broad range of hazardous and non-hazardous waste recycling, treatment and disposal, laboratory chemical packing and household hazardous waste management services.

## Computer and Electronics Recycling

- You do not need to remove or erase your hard drive. The standard procedure is to either sanitize or destroy all media containing devices in your computer.
- Electronics recycling is provided by Creative Recycling Services (CRS), certified under ISO 14001 for Environmental Management Services. CRS has developed safe and innovative e-cycling solutions using state-of-the-art technology. With a goal of zero waste, CRS manages e-scrap while protecting the environment. For more information and video demonstrations of CRS's industry leading e-scrap process, please visit [www.crserecycling.com](http://www.crserecycling.com)

### At the collection:

- There may be a brief wait in line. A VPPSA employee will ask you a few questions— proof of residency may be required.
- You'll be directed to a work area where VPPSA employees will unload your vehicle. Please stay in your vehicle unless requested to do otherwise.
- There are separate drop off points for household chemicals and electronics
- Be prepared to identify your materials. If you are unsure of any material, please notify the employee who will be unloading them for you.

***Thanks for your patience and cooperation.***

## What is VPPSA?

The Virginia Peninsulas Public Service Authority (VPPSA) is a regional governmental agency, dedicated to helping communities solve their solid waste management needs. There are ten member communities including Hampton, James City County, Poquoson, Williamsburg and York County on the Peninsula, and the counties of Essex, King William., King and Queen, Mathews and Middlesex on the Middle Peninsula.

VPPSA provides a schedule Household Chemical Collection events and Computer/Electronics Recycling events for residents of its member communities on the Peninsula. In addition to these events, VPPSA also provides the following services on the Peninsula:

**Curbside Recycling** in James City, Poquoson, Williamsburg and York.

**Yard Waste Composting** at the VPPSA facility at 145 Goodwin Neck Road, Yorktown. Quality mulch and compost products are available for purchase. The Compost Facility is open Monday—Saturday from 8am until 4pm. For more information call 757-898-5012.

For more information go to our website at [www.vppsa.org](http://www.vppsa.org) or call us at 757-259-9850.
